MURPHY POLICE DEPARTMENT

Murphy, TX – The Murphy Police Department is proud to announce the creation of two new programs: Volunteer In Police Services (VIPS) and Citizens on Patrol (COPS). These programs will provide both administrative and operational support within the Murphy Police Department. If you are a resident or business owner in the City of Murphy, volunteering for these programs is an excellent opportunity to provide assistance to the community.

The VIPS will be trained to work inside the department assisting staff in a variety of duties, such as filing, data entry, customer service, and other related functions within the department. The COPS will be trained to help deter crime on the streets, support special events using police equipment, and many other activities. If you are interested in volunteering, an informational meeting will be held on Tuesday, June 22, 2010 at Murphy City Hall in the City Council Chambers at 7:00 p.m. or you may request an application from the Murphy Police Department. If you have any questions, contact the VIPS/COPS Volunteer Coordinator, Jim Holden at 972-468-4202, email jholden@murphytx.org, or visit the police department to speak with him on Tuesday or Thursday mornings.
